

# Tire Discounters

Ohio and Kentucky

- Denier has installed complete electrical service and site lighting for over 25 new Tire Discounters stores in Ohio and Kentucky. Prefabrication and pre-assembling all the wiring and other materials allowed us to meet the 90-day construction schedule per location.

This strategy also offers the additional benefit of simplifying future maintenance since every Tire Discounters store will have similar electrical equipment.

#### **Cincinnati Office:**

10891 State Route 128  
Harrison, OH 45030
